Subject: RE: Initial Investigation Reports for the Wolverine Tannery, Rockford, Michigan

Thank you Joe.

I need to track the progress of the Tannery Site since EPA referred it back to Michigan. Could you send me all of the reports that can help me do so. Also, the current Tannery groundwater study WP is limited to PFAS compounds. Please send me any documents that explain the rationale behind this.

Michael

Subject: Initial Investigation Reports for the Wolverine Tannery, Rockford, Michigan

Mike, attached are the initial investigation report conducted by Wolverine and the Preliminary Assessment Report conducted for the EPA.

Please let me know if you have any questions.
